---

## EDUCATION

**New York University**, New York, NY

Bachelor of Arts in Computer Science

Minor in Mathematics

Expected Graduation Date: 05/2020

Relevant Coursework: Introduction to Data Structures, Computer Systems

Organization, Basic Algorithms, Operating Systems, Intro to Web Design, Discrete Math, Linear Algebra

## EXPERIENCE

**Google** – Mountain View, CA

Engineering Practicum Intern, May 2017 – August 2017

- Implemented front-end mobile UI changes including various methods of displaying data with differing priorities through HTML and JavaScript. Wrote integration tests, unit tests, and UI tests. Tracked the metrics of the UI change and wrote launch documentation.
- Provided data to front-end UI via Java. Managed integration of back-end and front-end.
- Discovered and launched a fix for a pre-existing bug concerning logging metrics for a mobile feature.

## SCHOOL

**Tech@NYU AfterHours** – New York University

Team Co-Lead, January 2018 – Present

- Organizing and setting up events, such as speaker events and tech workshops
- Collaborated with Red Bull to design and host events
- Advertising club events around campus and online

**National Art Honor Society** – Manhasset High School

Webmaster and Historian, September 2012 – June 2016

- Maintained Art Honor Society website with relevant event information and photos
- Organized Art for a Cure Auction, where students donated art and it was curated at Manhasset High School for prospective buyers - proceeds were donated to the Manhasset Women's Coalition Against Breast Cancer
